9 Daylesford Cres, Kialla

Highly Sought After Kialla Lakes - 3 Bedroom Home that Presents Like New

So modern this home is less than 2 years old and built by quality builders JG King Homes with steel frame construction. Close to both Waterbird & Falcon Parks and easy walking distance to the new St Anne's School and set on a large 977m² block of land. This home has been tastefully decorated and features 3 bedrooms, full ensuite and larger walk in robe to the main bedroom, open plan kitchen meals and family room that all overlook the well protected outdoor entertaining area. The kitchen is the central focus point of the home with quality tiling and a large 900mm gas range stove & dishwasher plus a large walk through pantry. Forget about the extreme heat as this home has fully ducted refrigerated air conditioning and is an oasis this summer! Well positioned on the block if you have a caravan or boat with side access leading to a larger lock up shed (6m x 10m) with 3 meter high sides and concrete floor. If you're seeking a well built home that has been set up for easy care gardening, close to parks & school, and near new, then call for your inspection
