Renovators – Are You up for a Challenge!

This home appears to be OK from a structural point of view but is need of plenty of work! Situated just around the corner from the Poplar Avenue shopping center and schooling. The home has a good floor plan comprising 3 bedrooms, separate lounge, kitchen meals area (+ includes a new kitchen as part of the deal), separate bathroom and laundry.

If you are not afraid of rolling up your sleeves and having a go, then this could be for you! Plenty of scope and potential.
